CORPORATE HOSPITALITY HOUSING

Corporate Hospitality provides a one stop shop with an array of lodges across the Permian and Delaware Basins and we're also able to provide your crews with the choice of single or double occupancy rooms throughout our network of lodges. We also take pride in our top rated chefs and our state of the art kitchens as we dedicate ourselves to providing breakfast and dinner made from scratch to make sure that everyone that's staying with Corporate Hospitality eats and sleeps comfortably like they are home.

Staying outside the Permian Basin locations? Not a problem, let Corporate Hospitality take care of all of your lodging needs across the United States through our Services sector! With Corporate Hospitality Services, we're able to use our network to deliver heavily discounted hotel rooms rates directly to your crews.

Our office is open 24/7 – 365 therefore your team members can get a hold of a Corporate Hospitality representative via phone or email and our Virtual Portal gives your team members online access to make or modify reservations at the click of a button. Give us a call and set your Reservations on Autopilot.
